

Pay As You Go – Plan Rates

The Pay As You Go plan provides the user with credit over 365 days to be spent on calls, messaging and data as outlined below.

The SIM starter pack plan comes with \$5 of PAYG credit included. You can purchase \$15, \$25 and \$35 denominations of PAYG credit either online, using our mobile app, over the phone, or by purchasing a recharge voucher from an ALDI store.

The tables below show the inclusions and call rates, keeping you informed of how many calls you'll be able to make using your credit.

International Calls

Please refer to our International Calling Rates document on our website for the latest information on call prices.

Important information about your plan

You should be aware that calls to Sensis and access to Premium 19xx numbers are not available on ALDImobile plans.

Roaming is available in some countries however charges for usage are much higher than charges at home in Australia. Before activating roaming on your service, we strongly recommend you review all the information on our website www.aldimobile.com.au/roaming

You can view the Critical Information Summary for this plan on our website www.aldimobile.com.au/legals
